

EUSDR | PA9 - People and Skills

Rolling Work Programme "Education and training, labour market and marginalized communities"

November 2025

I. Roles and responsibilities

The PA9 Work Programme is envisioned to be implemented in particular through the proceedings of PA9 Steering Group meetings, working group sessions, stakeholder conferences and through the implementation of projects and work in networks on the ground. Successful execution of the Work Programme will require commitment and concerted effort from all stakeholders directly involved in the process.

II. Overall objectives and activities

In efforts to meet the objectives of the EU Strategy for the Danube Region and in accordance with GAC Conclusions of 13 April 2011, PA9 plans to engage in the following activities:

Coordination

- Fulfilling tasks towards the EC and relevant ministries in the participating states in regards to reporting, participating in working meetings etc.
- Providing a platform for exchanging and coordinating initiatives, stakeholders, policy processes and information.
- Establishing and maintaining a network consisting of the national counterparts relevant to the Priority Area Coordinators.
- Identifying the possible relevant stakeholders, with particular emphasis on Project Leaders.
- Finding agreement on realistic and feasible targets relevant to the macro-region with the involvement of the Commission and all relevant stakeholders.

Implementation

- Working on the implementation of PA actions, in close contact with the EC and relevant EU agencies, together with relevant stakeholders at different territorial level and of different background.
- Initiating new projects and initiatives in the eight related actions.
- Providing assistance to Lead Partners in order to facilitate the implementation of projects and further development as well as screening of project ideas. This assistance emphasizes available European funding opportunities and makes use of already existing sources of information.
- Compiling a list of on-going projects and possible project ideas under the Priority Area.
- Organising thematic (policy) workshops.
- Fulfilling tasks with regard to specific EUSDR funding facilities.

Communication

- Providing relevant information on the Strategy to the stakeholders and citizens, including to associate civil society concerned and to promote public awareness.
- Promoting the EUSDR/PA9 at relevant conferences and events primarily within the Danube Region but if relevant also in other countries.
- Continuously updating the PA9 website and spreading information on Social Media channels.

ANNEX

Overview of PA9 Objectives

The objectives in PA9 – 'People and Skills', in accordance with the EUSDR Action Plan published in April 2020, are:

Contribution to a higher employment rate in the Danube Region, especially through tackling youth and long-term unemployment

Contribution to improved educational outcomes and relevant skills and competences in the Danube Region, focusing on learning outcomes for employability, entrepreneurship, innovation, active citizenship and well-being

Contribution to increased quality and efficiency of education, training and labour market systems

Contribution to ensuring inclusive education and training and promoting inclusive labour markets, equal opportunities and non-discrimination as well as the promotion of civic competences and lifelong learning opportunities for all

Contribution to a closer cooperation between educational, training, labour market and research institutions, in particular on transnational, regional and bilateral levels
