

How to ease the transition from EDUCATION to EMPLOYMENT?

Recommendation Paper for the PA 9

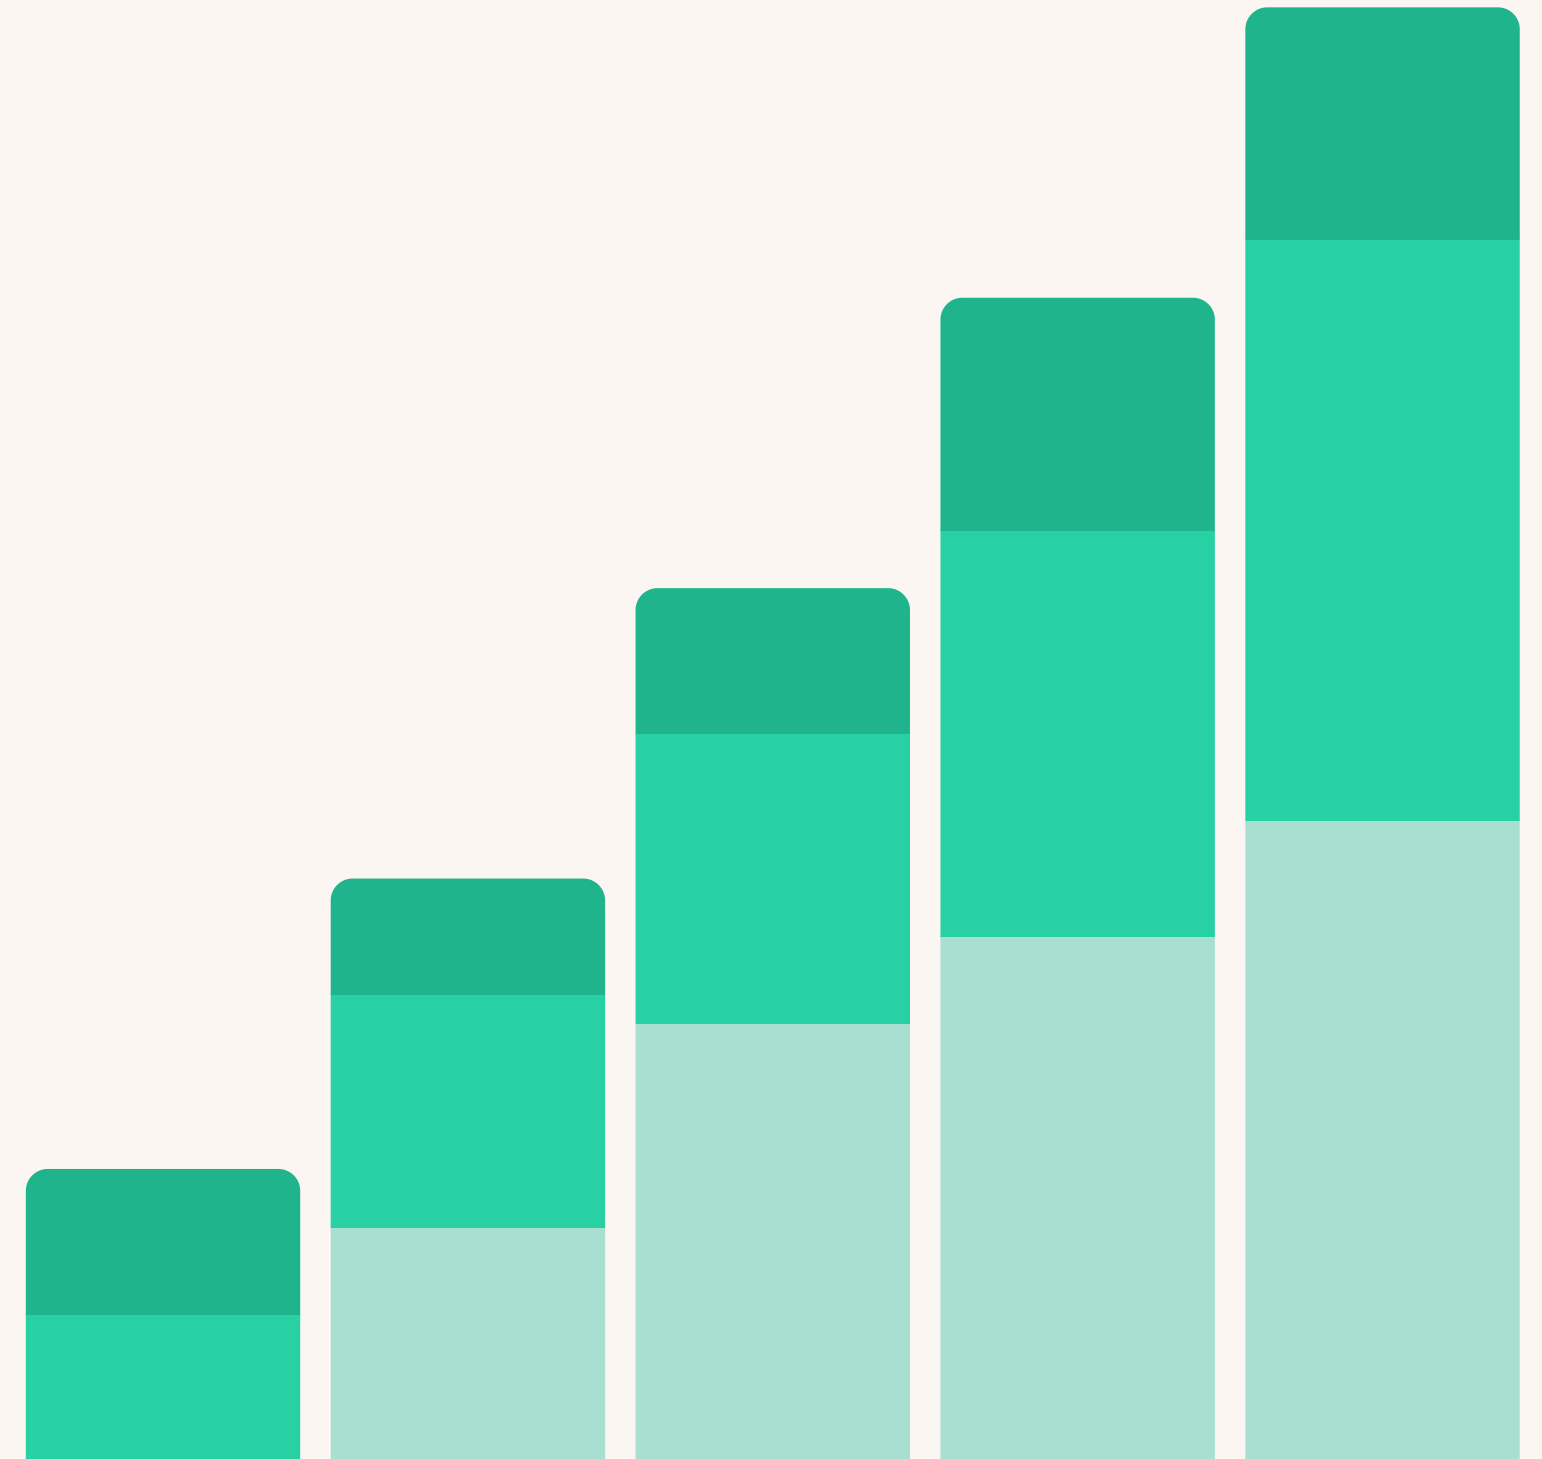

WHY IT MATTERS:

- Tackle brain drain
- Fight poverty, marginalisation
- Decrease the number of NEET
- **Youth are directly affected**

Methodology

- Problem Analysis
- Survey on: how the ideal situation would look like (checking available data)
- Identify best practices from different countries

OPEN QUESTIONS TO PA 9

- Data and best practices: Danube Region or Europe?
- Support from PA9 during the process and dissemination

NEXT STEPS

- **Develop Working Plan and Deadlines**
 - Meeting among PA9 – MDYC for coordinating the process
 - Data research through countries (Biljana, Gabriela, Veronika, Caroline, Dimitar)
 - Identify best practices (Veronika)
 - Problem Analysis (Caroline)
 - Further areas to be discussed and agreed in the meeting
- **Agree on dissemination, presentation and follow-up opportunities**
 - Presenting Outcomes at the Annual Forum in November 2025 (?)

BACK UP – TOPICS

- How to make existing opportunities more known/visible to young people?
- How to improve collaboration of universities and schools across borders?
- Social inclusion/Youth engagement
- Projects and funding opportunities for youths

Thank you very much!
