

# EUROPEAN TRAINING FOUNDATION

**Update on activities and  
cooperation in the Danube context**

# European Training Foundation in the Danube

## Background

- Supporting human capital development for young people and adults in view of the digital and green transition, social dimension, innovation and the Enlargement Process. With support to Moldova and to Ukraine.
- Key examples
- Support to Qualifications framework and Quality Assurance
- Continuing VET support – LLL, work based learning, Networks and Excellence, CoVEs, the GLAD network, ESCO meeting with RCC, people with disabilities study.
- Redoubled efforts on the Youth Guarantee – underlining the education aspects of this initiative alongside the labour market focus.
- Next steps in the Jobs and Skills surveys in the region – digital and green – Union of Skills.
- Highlighting Erasmus+ better ensure how the strengths can lead to closer so to bring about better policy making and enhanced capacity building.
- Further development of Osnabruck monitoring and its evolution.
