Selection criteria

- **Financial capacity:** Applicants must guarantee stable and sufficient sources of funding to maintain their activity throughout the activity period and to participate the co-financing.
- **Operational capacity:** Applicants must provide professional resources, competences and qualifications required to complete the proposed action

Annual Work Programme 2022

Topic EU4H-2022-PJ-09: Call for proposals on promoting mental health – implementing promising best practice(s) to improve mental health and psychosocial wellbeing in migrant and refugee populations

Main expected impact: contribute to the mitigation of major mental health and psychologically traumatic experiences of refugees and displaced people **as a consequence of the Russia's war of aggression against Ukraine.**

Specific action-level indicators :

- ✓ Number of training materials translated by number of languages
- ✓ Number of health professionals and NGOs making use of the training material
- ✓ Number of displaced people from Ukraine benefiting from the action (by country)

4 Projects were selected to be co-funded

Total EU contribution: 3 MIL EUR

Joint Actions

Joint Action grants are awarded without calls for proposals

A Joint Action is a direct grant consisting in collaborative action among Member States and Associated Countries participating in the EU4Health Programme → **Creation of a single consortium**

Each country participating in the EU4Health Programme is invited to nominate **one competent authority**, which will become the grant beneficiary and be responsible for the implementation of the action on its behalf.

The nominated competent authority may involve in the grant under its responsibility other participants, such as **affiliated entities**

For Joint Actions, affiliated entities cover:

The different levels of the administrative structure in case of decentralised administration (e.g., national, regional or local administrations),

or/and Public sector bodies (e.g., national institutes or schools for public health or national research centres) which and are (at least in part) publicly funded to deliver a public or government service or are in situation of control by a state organization/other public body.

What is not an affiliated entity?

Entities that have entered into a (procurement) contract or subcontract with the competent authority (beneficiary), or who act as concessionaires or delegates for public services for the beneficiary.

Entities that cooperate with the beneficiary on the basis of a memorandum of understanding or share some assets.
