### Objectives of the Danube Peace Boat E.U.R.O.P.E.

- to provide to Students and Teachers skill and knowledge like tool for development of the Knowledge Society, New Travelers Generation and New Media Pedagogy Creators;
- to encourage participants to establish creative cooperation between Schools, Institutions and Organization in different Danube Region countries;
- to build Model for Cooperation ready to change approach to the Cultural, Natural and Traditional Heritage of the Danube Region with focus on future "new job" opportunities.
